Meeting ID:

Passcode:

The Zoom meeting room will be open at 09:30 AM.

The international conference's goals are as follows:

The main aim of the international conference on “Fintech: transformation of banking and finance industry in Uzbekistan” is to discuss the digital transformation processes taking place in our country's economy, to deepen our understanding of the importance of financial technologies, including online banking (banking) and financial services (fintech), in people's lives, and to provide a platform for the exchange of ideas with the knowledge and best practices of scientists, researchers, and experts in the region regarding current trends, existing problems, and opportunities in this field.

The international conference's main thematic areas are:

- Global Trends in FinTech and Banking;
- Digital Banking Initiatives in Central Asia;
- Challenges and Opportunities for Digital Banking in Uzbekistan;
- Regulatory Frameworks and Policy Implications;
- Digital Transformation in Banking (The Case of Uzbekistan);
- Socio-economic Impacts of FinTech Adoption;
- Regulatory Challenges and Compliance in FinTech;
- Ethical and Social Implications of FinTech;
- Financial Inclusion and Access to Banking Services;
- Sustainable Finance and Green Banking;
- Artificial Intelligence (AI) and Machine Learning (ML) in Finance;
- Blockchain Technology and Cryptocurrencies;
- Cybersecurity and Data Privacy in FinTech;
- Digital Banking and Mobile Payments;
- Startup Ecosystem and Innovation Hubs;
- Future Outlook and Recommendations.

The working languages of the conference are Uzbek, Russian, and English.

Abstracts, articles and reports presented at the conference will be published in an international scientific journal.

Theses and articles of authors recommended for publication by the organizing committee of the international conference will be published in the international scientific journal “Management, Marketing, and Finance” of MDIST. A DOI number is obtained for each article in this international scientific journal and is indexed in Poland's Index Copernicus (OAK12), Europe's Zenodo and Open Aire, Russia's Cyberlinenka, England's Europub, and Google Scholar international scientific databases and posted on www.jmmf.uz. We provide authors with conference materials in electronic format (PDF).

Requirements for materials submitted to the conference:

Conference materials must be in MS Word 2007-2023 (DOCX) format, Times New Roman font size 14, paragraph 1 cm, line spacing 1, and pages should be 2 cm on all sides. The volume of material (including tables, figures, and Internet resources) of the article should be at least 6–8 pages; the thesis should be 3 pages.

Article submission format:

- Title, **in bold** letters, in the center
- Author's surname, first name, patronymic (full), academic degree, scientific title, position, and name of higher education institution or organization, in simple letters, in the center
- Abstract, in *italics*
- Key words in *italics*
- Main text, in plain letters
- The list of used literature is numbered and presented in plain letters.

Deadline for submission of scientific theses, articles, and talks: May 15, 2024.

Please send materials to the following e-mail address:
